CAGE SELECTION - DIMENSIONS

1. **Select cage dimensions based on available wall space and pet(s) you care for.**

- 🐾 Catalog shows height and width.
- 🐾 All cages have a standard depth of 27.5" including the gate and latch

2. **Combine individual cages into one Bank**

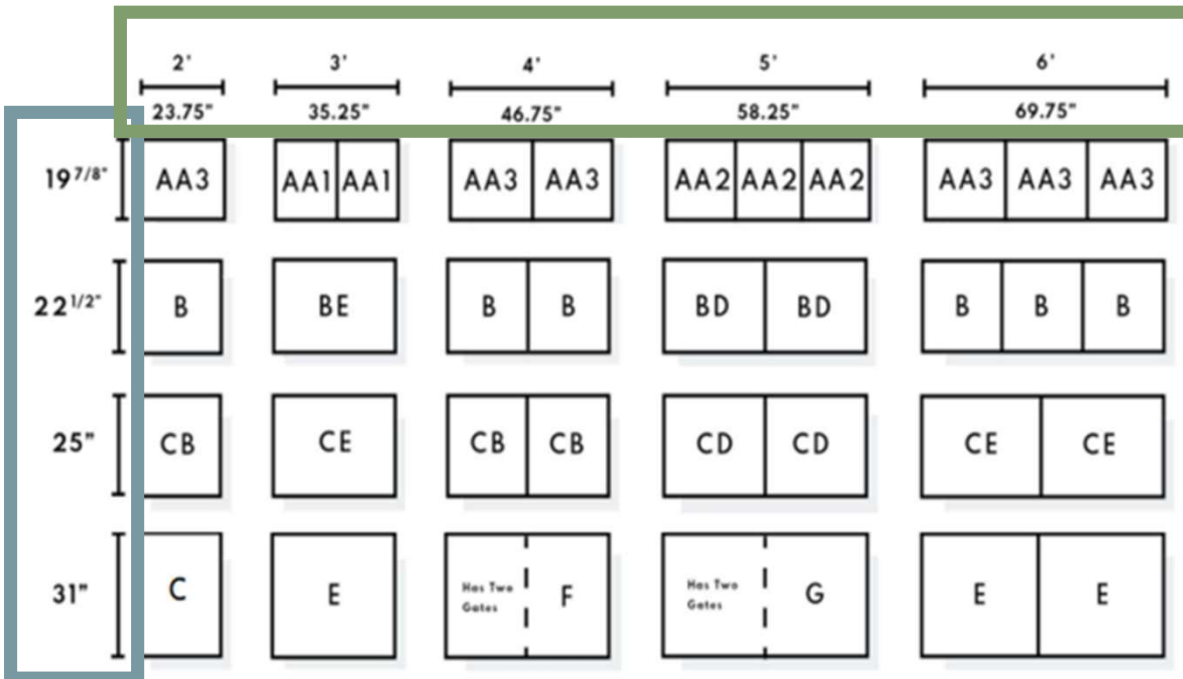

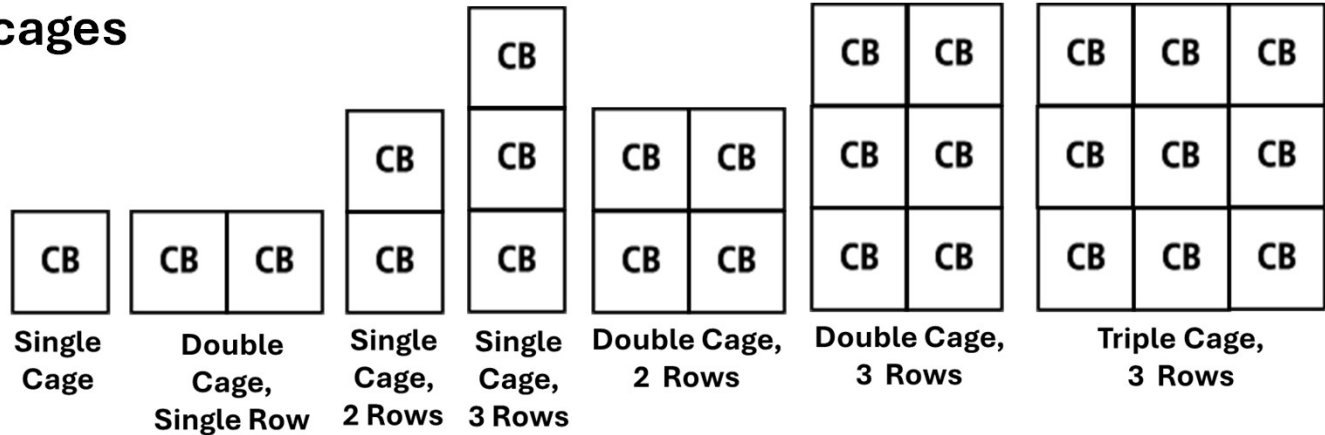

- 🐾 Stack cages up to three rows high for most combinations (two rows high when combining 31" H cages).
- 🐾 Each row of cages is a separate box that can be lifted and restacked as your needs change.

CAGE SELECTION - STACKING

3. Possibilities for stacking cages

One cage size can be combined into a variety of configurations

Cages can be configured to fit your space!

Accommodate small, medium, and large pets in one combined bank!

Choose the space you have available (highlighted in green)

Choose how much headspace your pet(s) require (highlighted in blue)

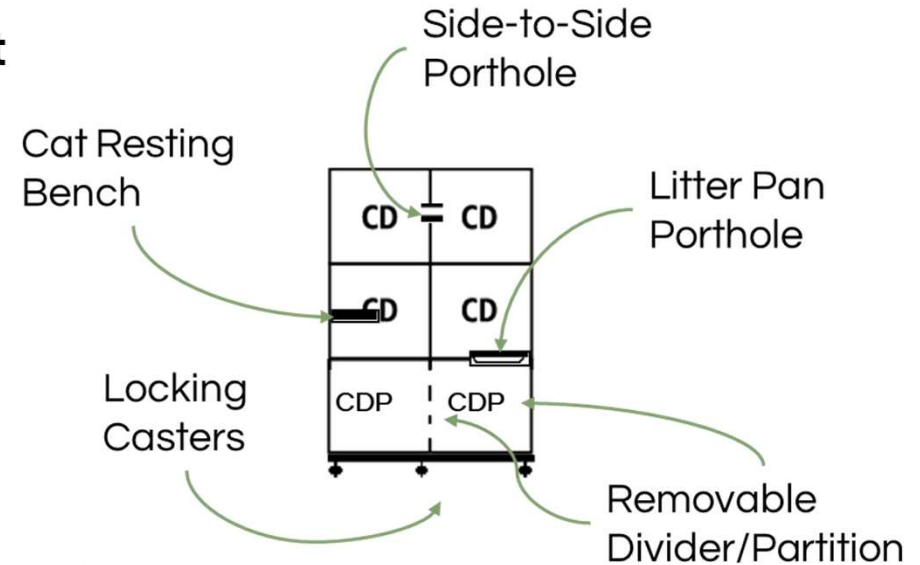

CAGE SELECTION - OPTIONS
